No. 80.—150,000 acres of cotton land in Mississippi Delta which is now fully described as "Prosperity Valley". The timber is becoming more valuable all the time for the reason that timber people from the North (where the supply of timber is fast diminishing), are constantly increasing their purchases of timber lands in the South. When the timber is removed the land is unequal for agricultural purposes. It will produce a bale of cotton to the acre or will grow any other kind of crop raised in the temperate zone. The soil needs no fertilizers and gives a yield which cannot be excelled; taxes are low, the title is perfect and the man who buys Delta farm and timber lands at present prices is making an investment that he will never regret. This land is divided into tracts ranging from 40 acres to the best to 17,000 acres to the tract and prices from \$5 per acre to \$10 per acre, according to location, etc. We are authorized by the company who owns these lands to state that as other parties are considering the purchase of these lands that we offer these tracts subject to prior sale, withdrawal from market or change in price without notice. However, when notified, they will hold any tract out of market long enough for the purchaser to make an investigation. About 12,000 acres of this land has been sold by our company since we received this option. For further particulars call at our office.

No. 81.—A farm of 105 acres in Casey county, Ky. One and one-half story dwelling, 6 rooms, good barn and other outbuildings. Sixty acres in cultivation, 45 acres in timber, fruit trees, etc. Lays well on county road, close to churches, school, etc. Price \$1,500.

EVERY DAY.

It's Christmas next
And as of yore,
You'll buy your gifts
The night before;
As just last year
You bought them all;
And year before,
If you recall.

'Twas just last year,
And year before,
You raised your fin
And sadly swore
That if you lived
Till this year, you
Would plan a different
Way to do.

You'd have the whole
Blamed mess put by
Before this Christmas
Day drew nigh.
But did you? Nit!
Not you, you'll shop
This year till Santa
Makes you stop.

You're as near broke
Today, you know,
As what you were
A year ago;
And next year
You'll mix in the crush
And make the same
Old football rush.

A Certain Cure for Croup.

When a child shows symptoms of croup there is no time to experiment with new remedies, no matter how highly they may be recommended. There is one preparation that can always be depended upon. It has been in use for many years and has never been known to fail, viz: Chamberlain's Cough Remedy. Give it and a quick cure is sure to follow. Mr. M. F. Compton of Market, Texas, says of it, "I have used Chamberlain's Cough Remedy in severe cases of croup with my children, and can truthfully say it always gives prompt relief." For sale by all druggists.

Ray Vanettich, State service editor of the Pueblo, Col., Chieftain, broke the world's typewriting record for both the 30 minutes and one hour tests, taking 2,600 words during the first 30 minutes and finishing the hour with 4,617 words. The dictation was received over the long distance telephone from Denver, a distance 120 miles. The previous hour record, 3,830 words, direct dictation, was made by Paul Munter at Madison Square Garden, New York, November 4, 1905.

Doctors Could not Help Her.

"I had kidney trouble for years," writes Mrs. Raymond Conner of Shelton, Wash., "and the doctors could not help me. I tried Foley's Kidney Cure, and the very first dose gave me relief and I am now cured. I cannot say too much for Foley's Kidney Cure." It makes the diseased kidneys sound so they will eliminate the poisons from the blood. Unless they do this good health is impossible. Penny's Drug Store.

Attorney General Hays, of Kentucky, has been notified by United States District Judge Cochran that Judge Cochran has called upon Attorney General Moody to represent him in the mandamus proceedings pending before the United States Supreme Court to compel Judge Cochran to remand the case of Caleb Powers to the State courts on the ground that the United States Circuit Court does not have jurisdiction.

A Fearful Fate.

It is a fearful fate to have to endure the terrible torture of Piles. "I can truthfully say," writes Harry Colson, of Masonville, Ia., "that for Blind, Bleeding, Itching and Protruding Piles, Bucklen's Arnica Salve, is the best cure made." Also best for cuts, burns and injuries. 25c at G. L. Penny, Stanford, Lyne Bros., of Crab Orchard.

Must Be Quick.

Pains in the stomach and attacks of the colic come on so suddenly and are so extremely painful that immediate relief must be obtained. There is no necessity of sending for a doctor in such cases if a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy is at hand. No doctor can prescribe a better medicine. For sale by all druggists.

London's municipal indebtedness is now \$355,000,000, while the County Council is committed to further capital outlay of \$105,000,000. This enormous expenditure is rendered necessary because London's municipal management was, until 1888, in the hands of reactionaries and corruptionists.

Two men are dead, one is dying and two others are in a serious condition as the result of being overcome by the fumes of coal gas in the tar paper mill of W. H. Rankin at Elizabeth, N. J.

Col. William J. Bryan was discussing the war in Manchuria with Gen. Oyama. "Were you ever under fire, Colonel?" asked the warrior.

"No, General," answered the Nebraskan, "but I've been over one many times."

They were talking of national institutions.

"We have an order here," said the Mikado "called the Samurai, who fight and never give up. No one has ever succeeded in getting the best of them. Is there anything like it in your country?"

"Yes," answered Mr. Bryan, "but we call them life insurance companies."

With such badinage they whiled the hours away.—Portland Telegram.
